Can you make new friends through your English language skills? Dear Friends, It is my great pleasure to introduce you a new activity on my website. It is called, "Free Chat". I have started this new activity after I read an article in the paper. The article said that there are lots of people who wants to make new friends, but they don't know how to start. The article said that, "you have to make some initiatives and ask the people to come and have a chat". Now I understand it very well, because most of us don't know how to do it, but I don't want to waste the article, so I wrote this activity. This activity is very simple. 82157476af
